Diabetes care inspired by 'life'

6th Edition of
**VIRTUAL
CUPID
2020**

Greetings of safety and wellbeing to all of you.

Thanks to all your spontaneous participation in the past occasions, CUPID, the annual National Conference on Diabetes Awareness has become a household name among the medical fraternity. We have completed 5 annual conferences commencing from 2015, every year more resounding than the other.

In the 4th and 5th versions of CUPID we have added live digital communication facility, by which sitting in the comfort of their places, our Doctors, all over the world were able to participate in the sessions.

This year owing to the current situation wherein the pandemic restrictions on assemblage are in force, we had to defer the dates of the conference which used to be in the month of June.

Now, the organising committee has decided to go ahead with the Virtual version this year on the **21st and 22nd November**.

Looking Forward to your Valuable Support and Participation.

Dr. R. Balamurugan

Chief Diabetologist,
Organizing Secretary,
