Greetings of welfare to all our brothers and sisters.

Your favourite Update awareness programme in diabetes is into its Tenth year. This year, we're taking our conference from a national to an international level. We're hosting a one-day International Live Telecast Symposium with international faculties.

We intend to expand the scope of the program by including National and International faculties for the **1 Day Virtual conference (May 10th, 2024)** and **2 days Physical conference (May 11th & 12th, 2024)**, at The Grand Regent, Coimbatore.

Thanks to the interest & Cooperation extended by all of you. The **CUPID 2024** organizing team is working tirelessly to ensure CUPID 2024 is an impactful, academically stimulating and exciting event.

The Tamilnadu Medical Council has been contacted to approve the program, and participants can receive full credit for the 2 day event.

We are enthusiastically looking forward to your valuable support and active participation. Let's make it a memorable experience for all.

Regards,

**Dr. R. Balamurugan**

Chief Diabetologist  
Organising Secretary, CUPID 2024

\* As per TNMC regulations delegates have to attend both days conference to get TNMC CME certificate and full credit hours.

**Kovai Diabetes Speciality Centre & Hospital**, is an advanced diabetic care hospital soon to attain NABH accreditation for small health care organization.

**Facilities :** A high tech completely sophisticated hospital that provides total diabetic care under one roof on par with international standards. KDSCH is a 50 bedded hospital and has a diabetic ICU and two operation theatres dedicated to diabetes, diabetes foot and eye care. It has a dietary clinic, obesity clinic, and nutrition clinic along with cardiology, radiology and physiotherapy departments. It has a 24 hour laboratory with fully computerised automated analyser and 24 hrs Diabetic speciality pharmacy. KDSCH also focuses on research and new drug development which has separate department for clinical research. We have a dedicated team of healthcare professionals, paramedical support team and diabetes educators to provide quality diabetic care.
